DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This 20th century house, of frame construction, is two stories tall with a gable roof and center chimney. The three bay front facade has a Neo-Georgian door with flanking pilasters and a swans-neck pediment. It is further colonialized by a five length pilaster at each corner of the front. On the north end of the house is a flat roofed one story screened porch, supported by fluted Doric columns, with a ballustrade. There is an additional ballustrade enclosing the edge of the roof, forming a sun roof.
